

VZ800-ZIP

Sleeker. Slimmer.
Outstanding performance.

Exclusively
from Harol

REMARKABLY DISCREET

Sun protection has become an integral part of our home. And preferably sun protection that is unparalleled in comfort, design and security. The VZ800-ZIP meets all these requirements - and more. This new Harol solution is now sleeker, slimmer and with outstanding performance. Be dazzled by our blinds... Not blinded by the light!

→ *The ultimate in control convenience, from your smartphone or tablet!*

A colour to suit every taste

There are over 7 billion people on the Earth, most of whom have their own individual taste. So, if you are considering one of our solutions, it makes sense that we try to satisfy those varied expressions of style at home.

With over 300 colours in the Harol range and an extensive fabric collection, this is no problem at all.

All RAL colours and various textured coating colours are included in the standard price.

Unique benefits

1 Ideal for large expanses of glass up to 24 m² in one frame.

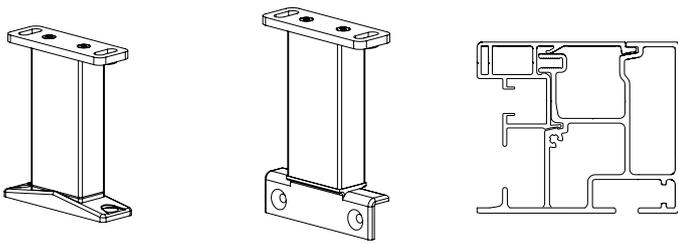

2 Reduced sunlight on the vertical glass surfaces, thanks to the overhang.

3 Compact box: 245 (W) x 175 (H).

4 Taut fabric, courtesy of the innovative ZIP system.

Flexible mounting options

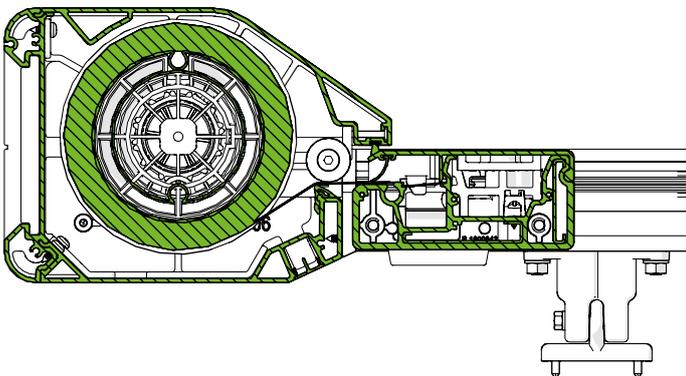

Support foot 1

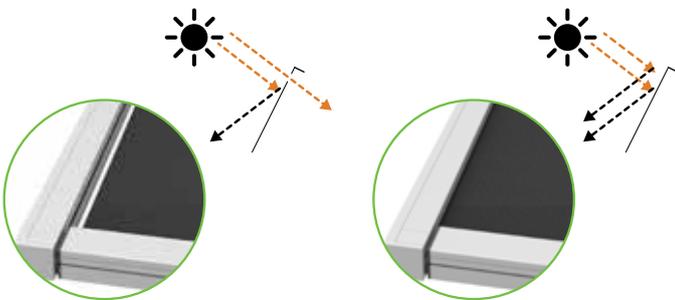

Support foot 2

Guide rail

Fully closed box: keeps the fabric bright for years

No gap between the guide rails and the fabric

The right fabric for a perfect result

- Visual comfort
- Translucent or blackout
- Thermal and acoustic insulation
- Extremely durable
- Dirt repellent and fire resistant
- Harmonises perfectly with your home
